

REMARKS

Upon review of the Response to Office Action filed January 13, 2004, Applicant's attorney noticed a typographical error in claim 6, line 5, where combining was inadvertently spelled "combing." The sole purpose of this Supplemental Amendment is to correct this error. A Notice of Allowance has been received by Applicant, but the issue fee has not been paid.

March 26, 2004

Respectfully submitted,

Howard B. Rockman
